EDUCATION

Indian Institute of Information Technology, Gwalior
Bachelor of Technology in Information Technology | CGPA: 8.0

Madhya Pradesh, India
Expected May 2029

PROJECTS

Quizora | *React Native, Java, Firebase*

GitHub

- Built a **cross-platform quiz application** for both students and teachers using **React Native** frontend with **Firebase** as the real-time database backend.
- Implemented **role-based access** allowing teachers to create and manage quizzes while students can attempt them, with real-time score tracking and result display.
- Designed a clean, responsive UI in React Native ensuring smooth experience across Android and iOS platforms.

OPEN SOURCE CONTRIBUTIONS

GirlScript Summer of Code (GSSoC'26) | *Open Source Contributor*

- Actively contributing to open source projects under **GSSoC'26**, one of India's largest open source programs, collaborating with developers across multiple repositories. Merged 27 PR across 3 different orgs

Code4GovTech (C4GT) — **Inji Wallet** | *Open Source Contributor*

- Contributed to **Inji Wallet**, a government-backed digital credential wallet under **C4GT**, by identifying and resolving bugs; submitted **2 pull requests** improving app stability and code quality.

TECHNICAL SKILLS

Languages: Python, Java, C++

Mobile & Backend: React Native, Node.js, Express.js, REST APIs

Databases: Firebase

Tools: Git, GitHub, VS Code

Coursework: Data Structures & Algorithms, OOP

ACHIEVEMENTS

- Secured **Rank 2** at **Ideathon 2026** organized by **National Institute of Technology (NIT), Durgapur** — competed among **800+ teams** from across India, achieving an overall score of **9.000**.
- Selected as **SheFi Season 16 Scholar** — a prestigious program empowering women in Web3, crypto, and decentralized finance.
- Contributor at **GirlScript Summer of Code 2026 (GSSoC'26)**, contributing to impactful open source projects as part of India's largest open source initiative.
